Summerfish - Leonid Rudenko
(Feat. Daniella) Lyrics

I got a plan
I'm waiting to be taken back
To the place I saw you last
Now just a photograph

So many people there
We loved every good thing we shared
Because that was the time we cared
For no-one else

Summerfish
Makes me feel like dancing with my first
kiss
Rolling in the sandy shores, we double
in down to sun fading to gray
